## Ready Made Team Building Equipment & Props

You're smart! You can put this stuff together, but you often don't have the time. It's OK, we'll do it for you! Not typical and not game books, these are each packed with 50 original cooperative, inniative and team building activities designed to challenge and stimulate any group with minimal or no props or set up. Elementary, youth and adult will all be challenged and feel the impact of these learning activities. You can either assemble your own props for each activity, or you can have us do it for you. Many of the activities are now pre-made and packaged for you and your group. Prices vary according to the activity, but generally range between \$10.00 and \$50.00 with a few higher. Discounts are available when purchasing multiple activity prop sets. Call for specific quote and needs. Don't just do games, do intentional recreation!

**\$10.00 to \$50.00 or More Per activity**
